

STF –EnviroFill™

Limited Warranty – Swimming Pool

XGrass, Inc. warrants that the product manufactured using high purity quartz and a color coating will not fade or chemically react with typical swimming pool installation materials for a period of ten (10) years from the date of purchase. XGrass and its distributors' only obligation is to replace the quantity of product proved to be defective. Neither XGrass nor its distributor will be liable for any injury, loss, or damage arising from the use of the product. User must determine the suitability of this product for his or her own use.

Limited Warranty – Flooring

XGrass, Inc. warrants that the product manufactured using high purity quartz and a color coating will not fade or chemically react with typical resin (epoxy) flooring materials for a period of ten (10) years from the date of purchase. XGrass and its distributors' only obligation is to replace the quantity of product proved to be defective. Neither XGrass nor its distributor will be liable for any injury, loss, or damage arising from the use of the product. User must determine the suitability of this product for his or her own use.
